*for free in-shower or front-of-wall installation*

**CeraNiveau**

**NEW CeraFrame Individual**

**Zentrix**

# Wall shower channels

*for installation directly on the wall connection*

**CeraWall Select**

**CeraWall Individual**

**CeraWall Pure**

# Cleaning couldn't be simpler

*for even greater hygiene*

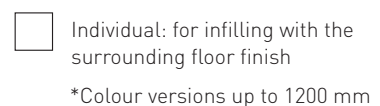

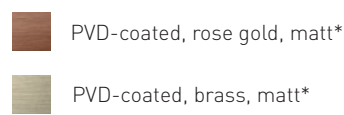

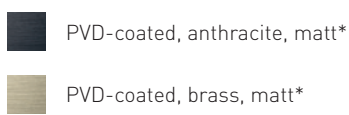

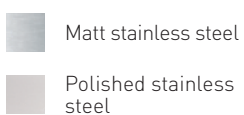

The trap insert can be easily removed and cleaned under warm water

In order to prevent lime spots, the surfaces are rubbed dry with a soft, clean cotton cloth

- ✓ The trap insert can be removed completely for easy and thorough cleaning
- ✓ Easy and direct access to the drain area
